MARCH, 2016 ISSUE #2

The sodomite agenda is to reach the hearts and minds of our children and grand-children. This issue of the AIB picks up where previous issues have left off. <http://www.abc.net.au/news/2016-03-16/george-christensen-links-safe-schools-program-to-paedophilia/7252476> GEORGE CHRISTENSEN LINKS SAFE SCHOOLS PROGRAM TO 'PAEDOPHILIA ADVOCATE' 16/03/2016-In a previous AIB we highlighted the Safe Schools programme. In March of this year an Australian "Federal Government MP...used parliamentary privilege to accuse the Safe Schools program of being linked to a 'paedophilia advocate'."

The "Liberal Nationals MP George Christensen said Professor Gary Dowsett from La Trobe University helped establish the anti-bullying campaign." The MP "has called for the Safe Schools program to be scrapped" and "quoted a report containing 'controversial views' which he said was published by Professor Dowsett in 1982." Christensen said Dowsett "was a 'longtime advocate of intergenerational sex, otherwise known as paedophilia'." The MP went on to say that the Professor argued "that paedophilia should be part of the gay movement, it must be legally recognised and depicts it as a wider sexual liberation." Therefore the MP called for "all federal funding for Safe Schools be suspended immediately, pending a full Parliament inquiry."

The Professor declined to be interviewed but a spokesman for the University said "This is a blatant attempt to distract attention from the independent endorsement of the highly effective Safe Schools program."

<http://www.acl.org.au/2016/02/revelations-of-safe-schools-directing-kids-to-age-inappropriate-websites-warrants-programs-immediate-suspension/> 26 February 2016 "The Australia Christian Lobby said news that extreme erotic material has been promoted by websites linked to by the Government-funded Safe Schools Coalition were disturbing and warranted the immediate suspension of the program in Australian schools." One of those government sponsored web sites is Minus 18.

<https://minus18.org.au/index.php?Itemid=49> UNDERAGE DANCE EVENTS "Minus18 Dance Events happen every school holidays (and sometimes twice during the summer if you're extra lucky!). Dance Events are literally-the-best-thing-ever. Imagine a room full of 500 other **same sex attracted and gender diverse young people!** Mind blown! Underage Dance Events are actually an amazing chance to meet other people, let your hair down, and just have fun (Emphasis added)."

<https://minus18.org.au/index.php/about-us/what-is-minus18> THE SAME SEX FORMAL "Every single person should feel safe and empowered to attend their high school formal with a same sex partner. In the meantime, Minus18 run the Same Sex Formal each year, with more than 400 students attending from around Australia."

don't exclusively identify with the gender I was assigned at birth. I am not a girl. The thing is, I'm not a boy either. I'm non-binary.

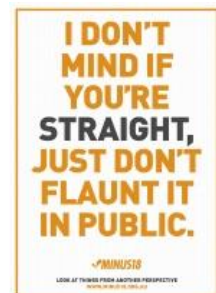

What does non-binary mean?

A non-binary person is someone who does not identify as exclusively a man or exclusively a woman. Personally, I identify outside of the gender binary entirely- I am not a boy or girl at all. Some other non-binary people might identify partially with one or more of the binary genders, e.g., a genderfluid person (someone whose gender changes over time) who identifies as a girl sometimes and genderless other times. There are so many different ways to be non-binary, and we're all still valid and real!” What will be the mental condition of these young people by the time they are twenty five?

<https://www.youtube.com/watch?v=PZmhNVy8Ihg> “‘ALL OF US’ is a ground-breaking educational resource which will allow teachers in classrooms across Australia to discuss and support gender diversity and sexual diversity. The program has been developed to have a real impact on student attitudes towards lesbian, gay, bisexual, transgender and intersex people and to encourage whole school change that affirms and supports the right of all students, staff and families feel safe while at school.” This sodomite agenda is picking up steam in and out of the schools!

There is nothing SAFE about the Safe Schools programme!

STAFF JOIN MARDI GRAS March 17, 2016-There isn't an occupation not touched by the sodomite agenda. The “CORRECTIVE Services NSW staff travelled from as far as Bourke and Wellington to participate in this year's Sydney Gay and Lesbian Mardi Gras.” There they formed a “...90-person strong contingent.” There were “More than 300,000 people congregated up Oxford and Flinders streets in Sydney to watch the parade and cheered CSNSW staff along the two-kilometre route.” The PC police may not like it but sodomy is still condemned by the Bible and God! However, if the Lord tarries another ten years it is scary to imagine the state society will be in by then!
