## About this event

🕒 2 hours

*"For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made."* (Psalm 139:13-14a NIV)

Pro-life groups across the UK are uniting to stand for life outside Parliament on Wednesday 15 May.

MPs will be debating several amendments to do with abortion, including two radical attempts to decriminalise abortion. If accepted, either amendment would leave unborn babies with virtually no legal protection whatsoever.

Abortion could be made legal up to birth for any reason.

A number of pro-life groups, including Abortion Resistance, ADF UK, CBR UK, Christian Concern, CitizenGO, Good Counsel Network, March for Life UK, Rachel's Vineyard, SPUC, Voice for Justice UK, 40 Days For Life and many others are joining together to proclaim life.

### Will you come and join us?
