## Hamas forced Israeli hostages to read the Qur'an and learn Islamic rulings

---

---

Yet every last Western analyst continues to ignore the role that Islam plays in this conflict. “Hostages were forced to read the Quran,” Israel National News, June 9, 2024 (thanks to The Religion of Peace): The hostages who were freed from captivity during Saturday’s rescue operation in Nuseirat told the medical teams that they were [...]

## The Pro-Hamas Protesters Who Cause Collateral Damage

---

---

Those pro-Hamas anti-Israel protesters who have been marching along the streets of European cities screaming their antisemitic hate, calling for the destruction of Israel and its replacement by a 23rd Arab state — for that is the real meaning of “From the river to the sea/Palestine shall be free”— have damaged shops, including stand-alone stalls, [...]

## DR Congo: Muslims murder over 60 Christians for refusing to convert to Islam

---

---

The idea is not only to gain the new converts or kill those who refuse, but to terrorize other Christians into being afraid to resist. “ISIS horror as ‘more than 60 Christians killed’ including army officer in brutal attack,” by Alessandra Scotto Di Santolo, Express, June 7, 2024: ISIS has claimed responsibility for a brutal [...]

## Hamas Insists the Americans Played A Role In Rescue Raid

---

---

The brilliantly executed rescue of four hostages by the Israelis has left Hamas deeply chagrined. Another spectacular feat for Israel — and defeat for Hamas — simply cannot be accepted. So some have insisted that others — the Americans — must have played a role in the operation. It's nonsense. The Americans have said that [...]

Biden regime denounces open support for Hamas and the calls to kill Jews at DC rally.

---

---

Yet it was to secure the support of such people that the Biden regime betrayed Israel and stymied its war effort in Gaza. Will this hollow denunciation placate the regime's Jewish supporters and keep them voting Biden in November? Probably it will for most of them, as voting for Trump has been rendered toxic and [...]

Germany: Muslim migrant vandalizes election posters of conservative party and attacks cops with knife

---

---

This is the third time something like this has happened recently in Germany: read about the first [here](#) and the second [here](#). Before too long, people will be too afraid to express dissent from the dominant line. “POL-HST: Posters cut down and bus kicked,” translated from “POL-HST: Plakate abgeschnitten und gegen Bus getreten,” Presse Portal, [...]

## Daring Israeli Rescue of Four Hostages Discredits Appeasement

---

---

The only way to stop the cycle of Islamic terrorism is to stop cutting deals with the terrorists. After months in which it was falsely claimed that the only way to rescue hostages was to cut a deal with Islamic terrorists, Israel launched a daring daylight rescue operation, simultaneously hitting two houses where four hostages [...]

## A Revolution in Europe

---

---

This ought to be a warning. A conservative revolution has swept Europe lifting parties in France, Italy and Germany. After months of eco-riots, the public firmly rejected green fascism and kicked them to the curb. The results were especially stunning in Germany and France, but political earthquakes also rocked Belgium and Austria, and despite every [...]

## Kamala Expresses Sympathies for Hostages and the Terrorists that Held Them

---

---

The Biden administration wants Hamas to win. Americans are being held hostage in Gaza, and Kamala's response to a successful rescue is to express her sympathies to both the families of the hostages and the terrorists that held them. Speaking at a Michigan Democratic Party fundraiser, U.S. Vice President Kamala Harris said on Saturday that she [...]

## No Arrests Made at D.C. Hamas Rally

---

---

But driving over a BLM or Pride crosswalk will get you busted quickly. Do 'donuts' on a BLM or Pride crosswalk and you'll be arrested and face serious charges. But the Hamas supporters, and I mean Hamas supporters, assaulting law enforcement and vandalizing monuments, walked away without a single arrest. Not one. Not for this. Or this. Or [...]

## The NAACP Calls On Biden to Halt Weapons Sales to Israel

---

---

There is no war that does not result in some civilian deaths. Israel is now fighting a war it did not start and did not want, a war for its very survival, like those it fought in 1948, 1967, and 1973. Hamas makes no secret about its aim, enshrined in its charter, which is nothing [...]

## Pakistan and Somalia elected to UN Security Council

---

---

Somalia is nearly 100% Islamic, with a record showing a range of infamous human rights abuses committed against its population. Pakistan is quite similar. But the UN voted these countries to the UN Security Council (UNSC). The job of the Security Council is to hold “responsibility for maintaining international peace and security,” making the institution [...]

## American College of Pediatricians condemns underage gender transition

---

---

Finally, the American College of Pediatricians has issued a rebuke to medical associations and top experts, who have been advancing an aggressive trans agenda to the detriment of underage children. This would include the Biden administration, which has stood by “gender affirming care” for kids. While the American Medical Association advocates “improving access to gender-affirming [...]”

UK: Brexit champion promises to lead 'political revolt' because 'nothing works anymore'

---

---

The Left has been carrying out a revolt against Judeo-Christian civilization for decades as it continues to undermine and erode free societies daily, without sufficient pushback so far. In Britain, few have noticed the disastrous transformation that is now happening. The architect of Brexit, Nigel Farage, has been indefatigably sounding the alarm, and is now [...]

Nigeria: Muslims stop vehicle, single out Christians, murder three of them

---

---

This is reminiscent of other incidents, including when a Muslim in Minnesota in 2016 asked mall shoppers if they were Muslim and then stabbed non-Muslims. In January 2022 in Nigeria, a man recounted that Fulani jihadis stopped him and started beating him. Then they asked him if he was Muslim or Christian; when he said he was Christian, [...]
