

NEW REPORT: "AI: Anti-Israel and Antisemitic"

 mailchi.mp/canarymission/new-canary-mission-weekly-highlights-13867706

CANARY MISSION NEWSLETTER — Aug. 14

FEATURED CAMPAIGN

Artificial Intelligence: How Hamas terrorists were able to leverage AI to mobilize their international supporters both online and on the streets since October 7.

FEATURED VIDEO

When Jewish students pointed out to Harvard that its Center for Middle Eastern Studies had invited antisemitic Professor Noura Erakat, who had appeared on panels with Hamas, the response was, "Don't worry, because the event isn't mandatory."

FEATURED POST

THE LOGIC OF ANTI-ISRAEL GEN Z-er

Calla ✓

@CallaWalsh

The US did not "defeat" fascism in WW2, it reorganized and absorbed fascism to be subordinated to US imperialism, a more sophisticated fascism repainted with a liberal veneer, and went on to commit countless more genocides. The US-NATO-zionist Empire is the Fourth Reich

3:35 PM · Aug 10, 2024 · 170.9K Views

 ANARY MISSION

Calla Walsh is a violent 20-something pro-Hamas activist. This type of "thinking" is typical of the delusional Gen Z crowd that has thrown their lot in with a genocidal terrorist organization.

FEATURED PROFILE

Eight days after Oct. 7, Ray Mustafa spoke at a Philly pro-Hamas rally: “[Israel] had to invent the fake story about Hamas beheading children so they could prepare the world for what they’re going to do to the [Gazan] people.” Later he denied women were raped.
