Austria: Two Muslims arrested, three Taylor Swift concerts in Vienna canceled over planned jihad massacres

Austrian authorities would apparently have us believe that these two young Muslims were raised to be good “moderates,” rejecting “extremism,” until they encountered “radicals” online who “brainwashed” them. Why wasn’t the “moderate” Islam they supposedly learned at the local mosque sufficient to withstand the blandishments of the sinister online hijackers of Islam? I doubt Austrian [...]

New in PJ Media: Moral standards that people took for granted for centuries seem to be eroding everywhere. That is not just true only in the woke, decadent West, but all over the world, albeit for different reasons. While the West casts off every residual attachment to traditional morality, elsewhere in the world, old traditions [...]

CNN cites Sharia to claim innocence in \$1,000,000,000 defamation suit

This is no surprise, since it is part of leftist dogma that Sharia is wonderful, and opposition to it “Islamophobic.” NewsBusters is in error in this otherwise illuminating report when it says: “A possible flaw in the plan to cite Sharia law in their defense is the fact that it’s not a set of codified [...]”

With French Jews Under Constant Antisemitic Threat, 38% Consider Making Aliyah

France has been admitting hundreds of thousands of Muslims annually as “refugees,” though they are, in fact, no longer threatened by violence in their home countries. They arrive as economic migrants, expecting to fatten on all the benefits that the generous French state provides, including free or greatly subsidized housing, free medical care, free education, [...]

Hamas names Oct. 7 architect Yahya Sinwar as its new 'political bureau' top dog

CNN is wondering what this will do to ceasefire talks. Well, CNN, imagine if Hitler had been killed during World War II and the National Socialists named Himmler as his successor. What would that have done to ceasefire talks? “Hamas names Oct. 7 architect Yahya Sinwar new political leader. What does it mean for ceasefire [...]

9/11 Victim Families' Spokesman Wants Death Penalty for Jihad Plotters — Unless...

New in PJ Media: Brett Eagleson, whose father was killed in the jihad attacks of Sept. 11, 2001, was happy to hear that Biden regime Defense Secretary Lloyd Austin had unexpectedly revoked the sweetheart plea deal that would have taken the death penalty off the table for Khalid Sheikh Mohammed (KSM), one of the masterminds [...]

President of ICJ Nawaf Salam Really Really Hates Israel

The International Court of Justice, with Nawaf Salam as its President, on July 19 issued a fierce condemnation of Israel for continuing to “occupy” the West Bank which, the ICJ concluded, was “a violation of international law.” Nawaf Salam, who was the Lebanese ambassador to the UN for more than a decade, is widely understood [...]

New in PJ Media: Hamas' massacre of 1,200 Israelis on Oct. 7, 2023, was a singular event in world history. This is true not solely because of the breathtaking savagery of those attacks but because of the campaign that began almost immediately after them to turn the perpetrator into the victim and isolate Israel on [...]

UN admits that nine UNRWA staff members may have been involved in Oct. 7 jihad attack on Israel

Haq says: “For us, any participation in the attacks is a tremendous betrayal of the sort of work that we are supposed to be doing on behalf of the Palestinian people.” That’s a lot of hooey. UNRWA has been aiding the “Palestinian” jihad for years. At this point, it should be shut down, or at [...]

UK: Muslim Justice Minister Promises to Lock Up Englishmen Who Protest Mass Migration

The convergence of leftist totalitarianism and Islamic Sharia law. And, of course, a free pass for the Muslim mobs whose presence must not even be mentioned. How striking and unusual to see the phrase “civilization jihad” used in any context in Western political discourse.
