## Oklahoma City: Afghan Muslim migrant bought weapons, plotted Election Day jihad massacre for the Islamic State

---

Tawhedi was here on a Special Immigrant Visa. Those were given to Afghans who aided U.S. forces in Afghanistan, and thus were assumed to be “moderate” without any kind of examination whatsoever. “Afghan National Arrested for Plotting an Election Day Terrorist Attack in the Name of ISIS,” Justice Department, October 8, 2024: The Justice Department [...]

## Russian Arms Dealer Freed by Biden Regime Selling Weapons to Jihad Terrorists

---

---

Impeachable. Biden decided to trade one of the world's most dangerous arms dealers for a woke WNBA player to pander to what he thought was his base. There were plenty of warnings that this corrupt move would endanger Americans. I warned that, "Biden undermined national security, freeing the 'Merchant of Death', an arms dealer with reported [...]"

## Five Lies About the Holocaust and the 'Palestinians'

---

In 1993, Abbé Pierre gave an interview, saying that it was Catholic Christians who committed the Holocaust, and who gave Palestine to the Jews because they were ashamed of what they did. A staunch supporter of the Palestinian cause, Abbé Pierre said Christians made the Muslims, who did nothing to the Jews, pay the price [...]

## Houthi top dog rejoices that October 7 jihad massacre revitalized the 'culture of jihad'

---

For this Houthi leader and many other Muslim leaders worldwide, the jihad against Israel is not about land, and not subject to a negotiated settlement. It is a sacred struggle against the group that the Qur'an tells Muslims is their most tenacious enemy (5:82). "In Speech Marking First Anniversary Of Al-Aqsa Flood Attack, Leader Of [...]"

Hillary Clinton calls for social media regulation, or else 'we lose total control'

---

---

I've been warning for years that leftists were enemies of the freedom of speech, and would destroy it if they could. They're very close now to attaining their goal and establishing a fully authoritarian regime. Most Americans, however, still have no idea that this is going on at all. Hillary Clinton: "We lose total control" [...]

Abbé Pierre has been, until very recently, a revered figure in France, where he spent much of his life helping the poor. He was born as Henri Marie Joseph Grouès in 1912, into a family of rich silk merchants in Lyon. In 1928, at 16, he made the decision to join a monastic order, but [...]

## Hamas-linked CAIR's Washington state chapter claims Muslims were true victims of Oct. 7 attacks

---

Because, you see, after the jihad massacre, they supposedly experienced “Islamophobia.” This is a tried-and-true tactic for the Hamas-linked Council on American-Islamic Relations (CAIR). They deployed it successfully after 9/11, to the degree that by the time the twentieth anniversary of the attacks rolled around, the establishment media coverage was all about how much Muslims had [...]

## Islamic Republic of Iran denies medical care to elderly Baha'i prisoner

It's the same impulse the world over, and the motivation behind a massive range of actions. The idea is always that the Muslim community increase and the infidel communities decrease. While Israel scrupulously avoids civilian casualties and is excoriated for not doing so, Hizballah and other jihadis intentionally target civilians, and no one says a word. “Haifa restaurant takes direct hit, nine wounded after Hezbollah rocket attack,” Jerusalem Post, October 7, 2024 (thanks to The Religion of Peace): Nine people were wounded following Hezbollah’s rocket [...]
