Thought Police: UK cops crack down on critics of Islamic terror

On a Sunday morning, the Essex police showed up at the home of Telegraph columnist Allison Pearson to interrogate her because she had tweeted a photo of Manchester police officers posing with the Islamist Pakistan Tehreek-e-Insaf party, some of whose leading members were recently charged with terrorism offenses. Pearson's crime, which resulted in the formation of a "gold group" [...]

Francesca Albanese is the UN's Special Rapporteur on Human Rights In The Occupied Palestinian Territories. She has acquired quite a reputation for spewing anti-Israel and antisemitic venom. As National Review reported last February, "She said that the victims were killed in reaction to 'Israel's oppression' rather than because of their Jewish identity. She has written [...]"

Iran: Islamic Revolutionary Guards Corps top dog says US and Israel have been 'defeated militarily'

The U.S. is on a long losing streak since its military decided to stop winning wars and has now forgotten how to do so. Going woke only compounded the problem. The Israelis, however, appear determined to win this war, and there are no actual clear signs that they're losing it. "IRGC general claims Israel 'defeated' [...]"

Anti-Zionism as the 'Acceptable Face' of Antisemitism

Those who denounce Israel for its nonexistent “ethnic cleansing,” and still worse, for its so-called “genocide” in Gaza, those who harass and beat up Jews for not reciting a pledge of allegiance to a “free Palestine” “from the river to the sea” — a call to destroy Israel and to replace it with a 23rd [...]

Pope Francis' Genocide Cowardice

He can accuse Israel of genocide, but not the Muslim killers of Christians. Pope Francis recently implied that Israel was committing “genocide” in its campaign against Hamas. It also praises Cuba, Venezuela, North Korea, and China. How are things going in Berkeley? After Oct 7, UC Berkeley launched a 'Palestinian Studies Program' funded by a \$3 million gift from an "anonymous donor". But that's not even where a course praising Hamas comes from. Instead it comes from the English department. The course [...]

Is Israel Engaging in 'Ethnic Cleansing'?

Chris Van Hollen, a Democratic Senator from Maryland, has an abiding anti-Israel animus, and has just now expressed the claim — in an interview with Mehdi Hasan — that Israel engages in “ethnic cleansing”: “US Sen. Chris Van Hollen Accuses Israel of ‘Ethnic Cleansing’ in Northern Gaza,” by Corey Walker, *Algemeiner*, November 19, 2024: Israeli [...]

SHOCKING. PLEASE SHARE: Tonight, Harvard students yelled “Zionists are not welcomed here” outside the Harvard Hillel as Jewish students were entering. It’s simply shocking how normalized antisemitism and intimidation has become on college campuses. Orbán, Wilders and Salvini defend Netanyahu, challenge the ICC

You know, the “far right.” The people whom the political and media elites told you were neo-Nazis are standing on the side of Israel, while the alleged guardians of human rights endorse and amplify Hamas propaganda. “The European far-right challenges the ICC: Orbán, Wilders and Salvini defend Netanyahu,” by Theodoros Benakis, European Interest, November 22, [...]
