FAMOUS LAST WORDS

"I don't think he's doing enough. He's not cutting enough. We should cut more, 20% more. It's all fat. It's a waste. There's so much waste in the federal government. This is great for the American people." – **Kevin O'Leary on DOGE and Elon Musk**

"TSA: you've outlived your purpose as an agency. Your invasive, warrantless searches are no longer welcome. Your incessant shouting is as annoying as your groping is criminal. You've made clear that you're far more about serving a union than the American people. Prepare to be shut down." - **@BasedMikeLee**
