LAUGHTER IS STILL THE BEST MEDICINE

A Day Without Steve Inman is a Day Without Sunshine. X

In a Democracy, the majority rules. If the majority decided they wanted your bike, they could take it.

In a Republic, your bike is your property and you do not owe it to anyone. It cannot be taken against your will, by law.

America is a Constitutional Republic.

Therefore, the Constitution is the law by which we are supposed to be protected.

In a Republic, the individual is protected FROM the majority, by Constitutional law.

A Constitutional Republic is what we were given. It is up to us to keep it.
