MUTH'S TRUTHS

(Chuck Muth) – There hasn't been a Republican on the Clark County Commission in some 20 years.

That changed in November with the election of Republican April Becker.

But the county's "Portrait Czar" – as Nevada News & Views' Brittany Sheehan has nicknamed him/her - appears to be in denial.

Becker noted on X yesterday that while the six Democrats are all featured on the official portrait array displayed at HQ, her photo was left off.

So she fixed it by TAPING her own photo onto the display.

The harder Democrats and bureaucrats try to make April a “non-person,” the stronger her resolve. She may get out-voted, but she won’t be ignored.

Go April, go!

In other news, the reviews are coming in for Disney’s new “Snow Woke” movie and critics are not impressed...

- "Lazy, visually repellant" - The Independent
- "Exhaustingly awful" - The Guardian
- "Disney has trashed its reputation" - The Times
- "A strange, hot mess" - Huff Post
- "Listless" - ScreenDaily
- "Good enough... for TV" - Vanity Fair
- "Film has a major identity crisis" – BBC

We now return you to March Madness.

FAMOUS LAST WORDS

"The goal of the Biden administration was to strategically place illegals in swing states and make their status legal, thereby turning swing states Democrat. The net result would have been permanent one-party rule of the USA, just like what they did in California." – **Elon Musk**

"In 2022, 50 illegal aliens were sent to Martha's Vineyard. Rich woke liberals had them removed from the island within 48 hours. These are the same people who are outraged that President Trump is deporting illegal alien terrorists." - **@CollinsforTX**

"They impeached Trump twice. They arrested him four times. They took him off the ballot. They tried to kill him twice. Now that all else has failed, they are using the district courts to block anything he is doing." - **@EndWokeness**

“(Sen.) Adam Schiff is not only a stone cold hopeless LOSER, he’s one of the most corrupt individuals to ever serve in Public Office.” – **White House Deputy Chief-of-Staff Stephen Miller**

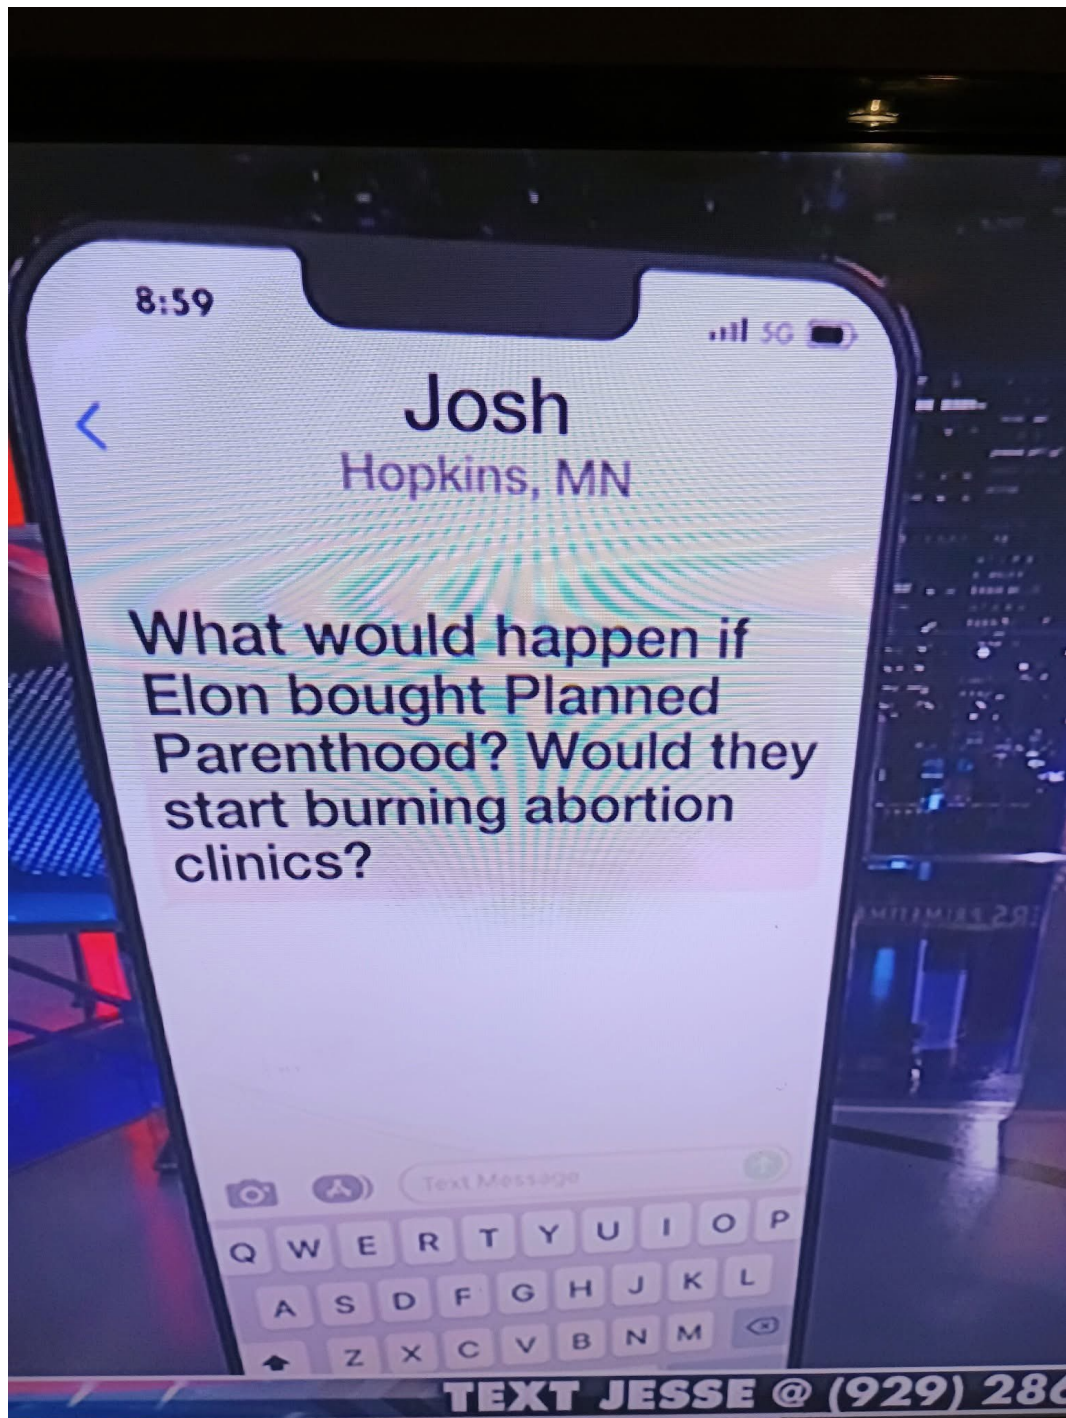

“Donald Trump has officially stripped Hillary Clinton and Kamala Harris of their security clearances.” - **@ShadowofEzra**

“FYI: 71% of the Dept. of Education’s budget goes to colleges. Just 25% goes to K–12 and students with disabilities.” – **Rep. Nancy Mace (R-SC)**

“I graduated in 1976. The Department of Education started in 1978. I spent my whole educational experience without the DOE. People my age are able to read and write. We actually know which bathroom to use.”- **@ThomasKemmett**
