MUTH'S TRUTHS

(Chuck Muth) – One of the more – shall we say, “interesting” – things about reaching senior citizen status is that you get to learn about all kinds of medical maladies you heretofore had never heard of.

About three months ago, I took my Husky – your know, those very strong dogs who pull sleds in Alaska – to the dog park. In his excitement to play with his friends, he yanked hard on the leash trying to get to the gate.

Messed up my left shoulder bad. Painful even to turn the steering wheel.

Well, since it wasn't getting any better, I finally had an MRI done last week. And turns out I have a “frozen shoulder.”

Never heard of that one before.

Started physical therapy. And a few days later, it magically “unfroze.” Still some pain reaching for a cold beer at the bottom of the fridge, but getting better each day.

I wonder what’s gonna break down next? Meanwhile...

THE REVIEWS ARE IN!

No, not for “Snow Woke” – which flopped big time in its opening this weekend (good).

For Scott Jennings, Citizen Outreach’s 2025 “Courage Under Fire Award” recipient. Here are just a few clips I pulled off X yesterday...

“Huge Scott Jennings fan! I give CNN credit for allowing him to check their spin. He makes watching CNN possible.” - **@coachbrucepearl**

“I don’t watch CNN. All the good @ScottJenningsKY clips get posted here X. I always watch them here. He’s the best at staying calm and respectful then just roasts them.” - **@frederick10p**

“Scott is the only person that’s likable on CNN!” - **@GaroneLeslie**

“I love watching him! The rest of them are an entertaining clown show.” - **@tammyswan**

“I wouldn’t go that far coach. I only watch clips of Scott. I already take enough blood pressure meds.” - **@Brian_Boroimhe**

“Scott routinely knocks it out of the park, but I still ain’t watching CNN.” - **@FliedLyce**

“He’s literally the only reason anyone watches CNN.” - **@JammieWF**

“If Scott left CNN they would go out of business!” - **@11commonsense11**

“CNN knows he’s bringing in eyeballs, they’re not being altruistic.” - **@VinceP1974Chi**

“Problem is that he is their token revenue guy. Their true disdain for America hasn’t changed. Still rotten to the core.” - **@IsotopeNuclear**

“People shouldn’t have to watch CNN to watch Scott Jennings! I wait for the highlights on YouTube and X!” - **@DaddyDawg_2**

“He’s the only reason that network hasn’t sunk like MSNBC.” - **@hannibalsekt0r**

We're almost sold out for the dinner. If you'd like to meet Scott, talk to him, take a few selfies, etc., order your tickets today (see below).

And don't forget all the other conservative champions who will be honored that night!

FAMOUS LAST WORDS

“Disney is going to lose hundreds of millions of dollars on their Snow White remake. It’s going to be one of the worst profit losses of any movie in their history. And it’s Snow White, one of the most popular movies in world history. Do you know how impossibly hard this is to do?!” - **@ClayTravis**

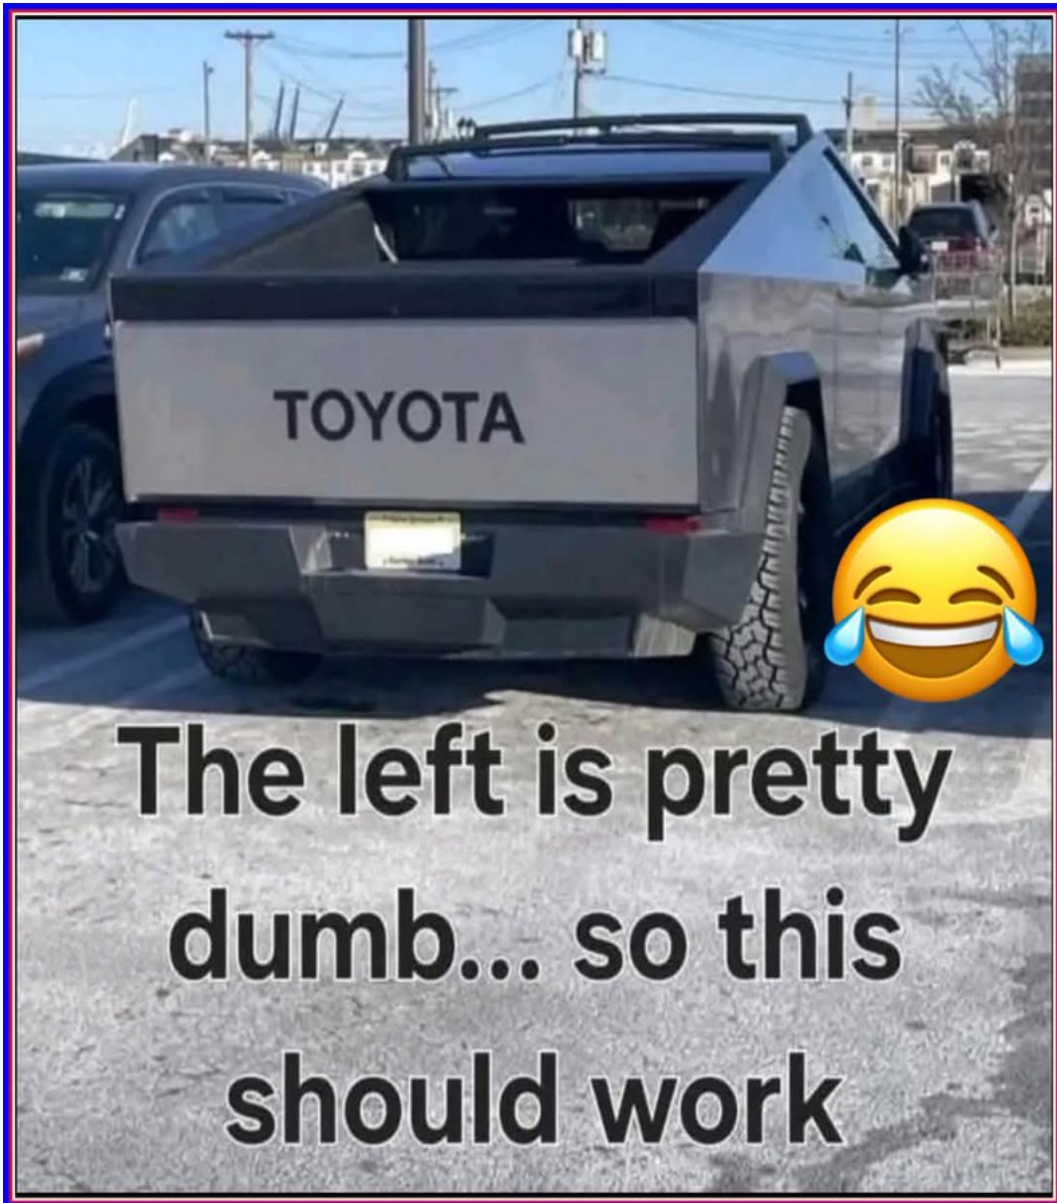

“And just think, those of us that don’t care about Disney or their woke culture aren’t going to burn down their theme parks, merchandise, or cars with Mickey Mouse ears on them because we dislike what they are doing! We are not the same!” - **@RollTideMarm**

“Why did the federal judiciary turn a blind eye to the importation of millions of illegals, but now is apoplectic over any action to remove them? How is this anything other than extremely partisan politics masquerading as jurisprudence?” – **Elon Musk**
