FAMOUS LAST WORDS

"The 2028 Democrat Primary for president is obviously on. I don't know who the leader of the Democratic party is, but I know who runs it! Donald Trump! He runs BOTH parties!" – **Scott Jennings**

"In the Democrat Party, the women are bald and the men have ponytails. So it's not exactly your grandpa's party." – **Adam Carolla**

"Dems won't clap for a little boy becoming a cop but they'd cheer if he became a girl. What a bunch of weirdo losers." - **@jimmyfailla**

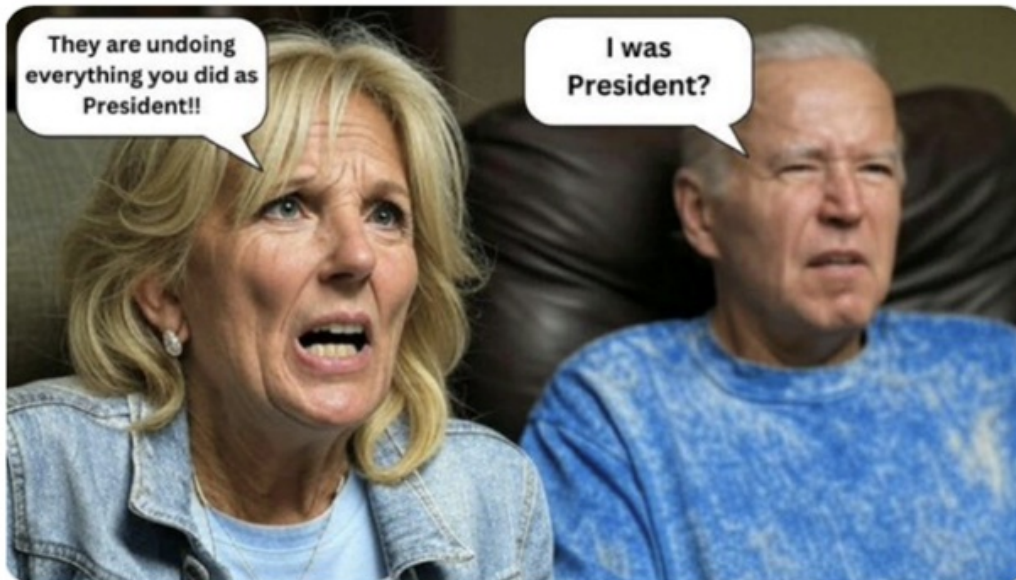

"When the caskets of slain warriors were met by a bored Joseph Biden glancing at his watch, his presidency ended in that one moment of truth. Seeing Pochontas scrolling her iPhone while the mothers of two murdered children were introduced, the Democrat Party died right then." - **@RealJamesWoods**

"For the congressmen who keep saying they [illegals] commit less crime than Americans— who cares?! Every crime committed... every child raped... every public safety threat... could've been prevented because they're not supposed to be here." – **Border Czar Tom Homan**

"If you want to be a numbskull like Justin Trudeau...tariffs are going to go up." – **Secretary of the Treasury Scott Bessent**
