AG Pam Bondi just went on Levin and gave a few updates on the Epstein documents:

"I started asking for these documents right when I came into office."

"I found resources told me New York SDNY are sitting on thousands of pages of documents regarding Epstein."

"You know, Mark, I have not reviewed the information yet."

"As a lawyer, as a prosecutor, I want to review everything before I make a firm conclusion. But I find it very interesting that they held that from us. I will find out who withheld that they will not be working for us anymore."
