### **MUTH'S TRUTHS**

(Chuck Muth) – OK, we are officially SOLD OUT for Saturday night's "Conservative Awards Dinner" extravaganza.

However...

There are always last-minute cancellations. In fact, I got one just last night.

More often than not, they donate their tickets back to us rather than request a refund since they know it's a fundraising event to support our programs and projects at Citizen Outreach.

So I'm starting a waiting list.

If you'd like to attend – but waited too long – here's what you do. Please follow these extremely complicated four steps exactly...

1.) Send an email to [chuck@citizenoutreach.com](mailto:chuck@citizenoutreach.com)

2.) In the subject line, simply type: "I want in!"

3.) In the body include your best phone number(s).

4.) Click "Send."

See, I told you it was extremely complicated.

If/when any tickets become available, I'll offer them to folks who send the "I want in!" emails on a first-come/first-served basis. So send your email NOW.

Looking forward to seeing y'all at this star-studded, action-packed, fun-filled evening.

P.S. Remember, we'll also be celebrating my 66<sup>th</sup> birthday. No gifts (other than gag gifts if you like) are necessary – but I do expect a ROUSING version of "Happy Birthday."

P.P.S. Oh, I almost forgot to mention our non-political entertainment for the evening.

We booked the "Vegas Good Fellas," who will be belting out all your favorite Rat Pack-era songs.

Heck, we might even be able to tempt George Harris croon one or two – unless someone is willing to donate \$500 for him NOT to be handed the mic! 😊

Hey, we'll raise money almost any way we can.

## FAMOUS LAST WORDS

"Why is Voter ID not the most important legislative issue on everyone's agenda?" - **@RealJamesWoods**

"Trump's tariffs aren't starting a trade war—they're ending one." – **Rep. Brian Babin (R-TX)**

"If one car goes up in price because there's a tariff, that person will just buy the other one that doesn't have a tariff, which is your American-made automobile." – **Sen. Bernie Moreno (R-OH)**

"Our hearts go out to those who have lost their jobs. But the reality is clear: what we've been doing isn't working." – **HHS Secretary Robert F. Kenney Jr.**

"Elected Democrats hate Trump more than they love America and its people." - **@Riley\_Gaines\_**

"The harsh reality (of Republican election losses on Tuesday) is that without Trump on the ballot, the GOP is toast. Our coalition doesn't show up to vote." - **@EndWokeness**

"The political problem on the Republican side of the aisle is how to get our base to vote in off-cycle elections." – **Vice President J.D. Vance**

"What the heck Trump, I voted for you because you promised we would win so much I would get tired of winning. There's absolutely no way you're going to be able to keep that campaign promise because the more winning we do the more addicted I get to all the winning. I don't foresee any timeline where I get tired of all this winning. Just keep pouring it on." - **@bwilsonNV**
