MUTH'S TRUTHS

(Chuck Muth) – I'll shortly be hopping on a bus from the Pentagon Park Sheraton for the White House to attend a briefing on election reform with a group of conservative leaders from states around the country.

But before I go, I can't help but share just how lame Nevada Democrats, under the "leadership" of Assemblywoman Danielle Monroe Moreno, are these days.

They ran a March Madness-type poll on Saturday asking which Trump policy is the most "disastrous," pitting "Tariffs" (46.7%) vs. "Eliminating the Department of Education" (53.3%) and "Slashing Medicaid" (86.7%) vs. "J6 Pardons." (13.3%).

See? Even Democrats don't care about the January 6 pardons.

But wait, there's more...

"The results are in and Nevadans are pretty pissed off," they announced proudly and with great fanfare on X. Now for the punchline...

"Perplexity, how many voting age adults live in Nevada these days?"

Answer: 2,508,220.

"X, how many people participated in the Nevada Democrat March Madness-like poll?"

Answer: 15.

What a clown show. Speaking of which...

Thanks a billion to everyone who joined us at Saturday night's sold-out Conservative Awards Dinner/Chuck's 66th Birthday celebration.

Grover Norquist and Scott Jennings hit it out of the park with back-to-back dingers.

And yeah, I think it's safe to say a good time was had by all!

My sometimes smart-aleck first-born (I have no idea where she gets it) has a write up.
