Slime-Time TV: A&E Digs Up Long-Debunked Smears Against Dennis Hof

(*Chuck Muth*) – My friend and late Nevada State Assemblyman Dennis Hof died almost seven years ago. But that hasn't stopped the "Hof Haters" from trying to "p*ss on his grave."

A&E is about to run a 6-part series titled, "Secrets of the Bunny Ranch." And according to promos and news reports, the series will include a number of allegations of sexual assault leveled by a handful of former prostitutes who worked for Dennis.

Of course, Dennis is no longer with us and can't defend himself.

But a number of these politically motivated attacks came up during his campaigns for the Legislature in 2016 and 2018. And as his campaign manager, I worked with Dennis to set the record straight and swat away the unfounded attacks.

The same attacks that apparently A&E are about to resurrect. In other words, nothing new.

Indeed, Dennis himself addressed them in his campaign, which are still archived on his website. So here's Dennis responding, "from the grave."

Now he's pushing a huge hike to the federal minimum wage, effectively outlawing teenagers and others with limited work experience from stepping onto the ladder of economic opportunity. If this is modern-day conservatism, we want no part of it." – ***Committee to Unleash Prosperity***
