

MUTH'S TRUTHS

"The 'Colorado grandfather' is Baldomero Noa-Castaneda who according to ICE, has a prior removal order and a long rap sheet including 2 dozen arrests for theft, assault & battery, damaging property, and shoplifting."

National

CBS News Colorado reported yesterday: "Colorado grandfather detained by ICE while walking his dog."

"Colorado grandfather." "Walking his dog." Totally normal, right?

"He's a good man," his granddaughter told CBS. "He's followed the rules."

But just like "Maryland dad" Kilmar Abrego Garcia, there's more to the story than what the old-stream media is telling the public. As LibsofTikTok noted on X...

Sure doesn't sound like he "followed the rules" after all, does it?

This is how the left in the old-stream media is actively trying to undermine President Trump's efforts to deport illegal aliens who broke the rules by breaking into our country.

Don't fall for it. Don't be distracted. Don't be dissuaded.

Joe Biden and the Democrats – such as Nevada Assemblywoman Selena Torres - created this problem. Trump is fixing it. Nose to the grindstone.

FAMOUS LAST WORDS

"President Obama was a terrible president. President Biden was the worst president in the history of our country." – **President Trump**

"Every living President is watching Trump and realizing he lost the opportunity to shape the future of the country. They were placeholders, servants of the bureaucracy, or cowards. They were sleepwalkers. This is different." - **@FischerKing64**

"Alligator Alcatraz will be funded largely by FEMA's Shelter and Services Program, which the Biden administration used as a piggy bank to spend hundreds of millions of American taxpayer dollars to house illegal aliens, including at the Roosevelt Hotel that served as a Tren de Aragua base of operations and was used to shelter Laken Riley's killer." – **DHS Secretary Kristi Noem**

"People regularly ask me, 'How can we change Washington DC, or how can we get more limited government Republican office holders?' My answer is, 'It's the Primaries, stupid!' Not only do we need to change Washington, DC by electing more limited government Constitutional conservatives, we very much need these warrior conservatives in our school boards, city councils, **state legislatures**, and state-wide office holders. We also need to change the RINO leadership in the Republican Party at the precinct, county, state, and national levels." – **Richard Viguerie, ConservativeHQ**
