

MUTH'S TRUTHS Good morning from beautiful Coarsegold, CA! Jenna and I laid up last night at the Chukchansi Resort and Casino, which reminds me of what Vegas used to be like before the corporate bean counters on the Strip decided that nickel-and-diming tourists was a lovely idea. Only problem: They are STILL checking your temperature before entering the building. COVID has been gone for three years now, but COVID stupidity lives on in Gavin Newsom's hellhole. Anyway, before we head out to pick up the new puppy for Windy's Rescue Ranch, here are some great words of wisdom from our friend and conservative legend Richard Viguerie, Citizen Outreach's 2024 Reagan Legacy Award recipient... * * *

Last week I mentioned that if an election is to be nationalized around conservative issues, it will almost certainly need to be done by CONSERVATIVES. Establishment Republicans are uncomfortable campaigning on conservative issues, especially cultural issues - mostly because they are not conservative; they are Big Government Republicans. Republican consultants are yelling via emails, postal letters, phone calls, fundraising receptions, breakfasts, lunches, and dinners that all it will take to beat the Democrats is more money, i.e., "Send my candidate a lot of money and we'll win." To quote Morton Blackwell, "Most Republican campaign consultants are content-free." How will you know if the campaign is nationalized around our issues? If a campaign is nationalized around conservative issues, not only will the candidate, his campaign team, and his campaign surrogates be stressing the conservative issues, but the issues will be front and center on the TV news shows, talk radio, newspapers, magazines, social media, etc. And this is a job not just for conservative candidates and national conservatives but ALL conservatives, whether you operate at the national, state, or local level. All can forward articles to family and friends.

If you blog, have a podcast, Tweet, post on YouTube, Facebook, or Snapchat, you're needed to help nationalize future elections and build the conservative movement. It's time for each and every conservative to be a modern-day Paul Revere - alerting others about the dangers we face from Democrats.

Don't wait for orders from President Trump, Jesse, Tucker, Hannity, Levin, GOP leaders, or me. Rush to the sound of the battle. You know what you can do, so please start today. Each of us has different talents and resources available to us. Use them. # # #

"Barack Hussein Obama is the ringleader. Hillary Clinton was right there with him and so was Sleepy Joe Biden, and so were the rest of them - Comey, Clapper, the whole group.
