MUTH'S TRUTHS Rush to the Right: How Limbaugh Sparked America's Cultural Earthquake Shift It was August 1, 1988 – 37 years ago. Rush Limbaugh did just that. With three hours of mic time and zero apologies, he rewired conservatism from wonkish complexity into a late-morning chat with your uncle – if your uncle was armed with a cigar, an encyclopedic disdain for liberalism, and a razor-sharp wit. And yes, he said it.

Asked for 400 words on his hope for President Obama, he replied, "I don't need 400 words, I need four: I hope he fails." But – he reassured us – it was the policies he loathed, not the man behind them. That's classic Limbaugh: short, savage, and unforgettable. He didn't whisper conservatism. He bellowed it.
