

MUTH'S TRUTHS Stranded on the Interstate with a 200-Pound Pig and No Brakes – Please HELP! From an early age, my second daughter, Jenna, has been an “animal person.” When she was around 10 or 11, she wanted to work at a pet store just to be around the puppies and kittens and every other creature on God’s green earth. Would have been happy to just stock shelves or clean up pet cages – for FREE! But no one would hire her. Our stupid government actively discourages businesses from hiring kids. Jenna was frustrated and discouraged. And then we had a chance meeting with Janice Ridondo. Janice runs Windy’s Rescue Ranch in Logandale - which specializes in rescuing pot-bellied pigs. And she said if Jenna wanted to come volunteer at the ranch, she’d put her to work. Jenna’s been volunteering there ever since – over a dozen years now.

And not just stocking shelves or mucking pens. She's had the opportunity to learn every aspect of running the ranch. Just like if she'd been raised on a farm. Now Jenna spends entire weekends working at Windy's – still as a volunteer; no pay (it's a calling) - and even runs the place occasionally when Janice has to go out of town. I couldn't be more proud. The kid's got a heart of gold. But a couple weeks ago, Janice, Jenna and one of the pigs they rescued found themselves in an extremely dangerous situation. It all worked out in the end – but it could have ended VERY badly. I published an account by Janice of the frightening situation they found themselves in - and hope you'll take a minute to read the story and consider helping them out. [CLICK HERE](#)

BREAKING (Literally): Do You Believe in Coincidences? Bobby Khan, Republican candidate for Nevada's 1st Congressional District, is scheduled to officially launch his campaign at a major "Bobby Khan Unfiltered" event tonight. Special guest appearances include actress **Dawn Olivieri** (Yellowstone,

Homestead, Lioness) and MMA fighter and actor **Quinton “Rampage” Jackson**. But last night, someone broke into the venue – the Dragon Gate Restaurant - and destroyed the sound and video system. Bobby posted a video on X ([click here](#)) showing the damage at 11:29 pm last night. “The night before my big event tomorrow and the Venue gets broken into and sabotaged!” he wrote. “Coincidence? I think not!” Bobby told me this morning that the show must go on: *“Thanks to my entire team, my campaign manager, and my friend, Guns N’ Roses band member Ashba, who got me a video/sound/lighting team in late last night and this morning to fix things!!”* Tonight’s event is scheduled start at 5:30 pm. It’s free, but seating is limited. [Click here](#) for more information or to register. I’ll be there – wouldn’t miss it for the world. I love political disrupters!

FAMOUS LAST WORDS

"We're going to ignore these stupid white hippies that all need to go home and take a nap because they're all over 90 years old." – **White House Deputy Chief-of-Staff Stephen Miller on pro-crime protestors in DC**

"The Democrat party is an extremist organization. A political party represents Americans. All you see all day long are crazy Democrats screeching on behalf of foreign terrorists, hardened criminals, and violent illegal aliens." - **White House Deputy Chief-of-Staff Stephen Miller on pro-crime protestors in DC**

"The biggest problem for the Democrat Party is that they are lame. They aren't fun. The men aren't masculine. The women are mostly unattractive. They also seem to have mental health problems. Why vote for a bunch of losers?" - **@LisaMarieBoothe**

"You've got to stop putting the interests of foreigners who don't have the right to be here over the interests of American citizens. That is the entire point and purpose of the Democrat Party." – **Vice President J.D. Vance**

"'Undocumented immigrant' is the immigration equivalent of 'they/them.' 'Alien' is the technical legal term, and that is what DHS will use. 'Illegal' is the only way to correctly describe lawbreakers. Next thing you know you will be calling burglars 'undocumented houseguests.'" – **Department of Homeland Security**

Can't remember how I managed to park it." – **Jon Caldara, Independence Institute** "I was out playing a round of golf this morning with my buddy when a funeral procession passed by. I paused, removed my cap, bowed my head, and stood there quietly. My friend said, 'That's the most respectful thing I've ever seen.' I said, 'Well, we were married for 30 years!'" - **@614clinton**
