MUTH'S TRUTHS Nevada's state government has been closed for four days now due to a major computer hack. And yes, folks needing government services such as the DMV have been adversely affected. However, I really haven't heard from anyone who has been terribly inconvenienced by the government shutdown. Haven't missed it at all. Makes you wonder if all the government we're paying for is really all that "essential."

FAMOUS LAST WORDS

“Gun-free zones make adults feel good, but kill our kids. Cultivating mental illness (trans) is dangerous.” – **Andrew Pollack**

“Every Congress, I have introduced a bill to repeal the federal Gun Free School Zone Act. Deranged shooters choose schools because they know their victims are vulnerable. This one even admitted it. There’s never been a shooting like this in a school that allows staff to carry.” – **Rep. Tom Massie (R-KY)**

“Minnesota has a Democrat Governor. Minneapolis has a Democrat Mayor. The shooter was a radical transgender anti-Trump lunatic who slaughtered Christian children. Tell me again how this is the GOP's fault?” - **@libsoftiktok**

“We hear a lot about conservative-led violence against trans people, but it kinda seems like the trans are pretty violent toward conservatives.” - **Sam Mirejovsky**

“If you combine the capacity for violence of a male with the emotional turbulence of a hormonal female with the confusion and angst of a teenager, you get lots of danger.” - **@mopping321**
