FAMOUS LAST WORDS

"There is crime in ALL states but... if you look at the list of the top 20 high-crime cities in the United States, EVERY SINGLE ONE, with the exception of one, is run by a Democrat." - **@PressSec**

"Fatherless homes are the biggest cause for the high crime rate In the black community. These kids are angry. And our government is responsible for it! They penalize married couples and give high incentives to be single, unwed mothers. Our schools and professors have brainwashed these kids into believing that systemic racism exists and white people are the cause for most of their problems." - **@614clinton**

"In every decaying empire, there is a class of court eunuchs whose job is not to report the truth, but to protect the sensitivities of the ruling class. They are the narrative janitors, the palace guards of a corrupt regime. Brian Stelter is the chief eunuch of the American legacy media." - **@FinalTelegraph**

"Fuck BLM, its bullshit DEI/criminal justice "reforms," the knee-bending candy-ass judges/DAs/pols who went along with the lies about racist policing and who created the revolving door for criminals arrested dozens of times and for the clearly mentally ill & dangerous - all at unspeakable costs to the innocent young women of America. F. THEM. ALL." - **@megynkelly**

"If they locked up the criminals, they wouldn't have to lock up the candy in the grocery store. This is what shopping is like in a Democrat-run state." - **@libsoftiktok**

"Legacy news like AP is super racist against Whites. Either capitalize all races or none. That would be fair and equal treatment. But only lowercase for Whites is racist by definition!" – **Elon Musk**
