## LATEST NEWS

The policy allows land acknowledgements only if they have a direct connection to the course content, prohibiting their display at university events, syllabi, websites and other official materials.

### [Judge rules against Trump's Harvard funding freeze](#)

The Obama-appointed judge found no significant connection between the funding freeze and efforts to combat antisemitism, suggesting the administration's motives were political rather than protective. Trump plans to appeal.

### [Northwestern president resigns under GOP pressure over antisemitism concerns](#)

His resignation elicited mixed reactions; some, like former DNC vice-chair Michael Blake, criticized it as yielding to GOP pressure, while Republican officials praised it as an appropriate corrective measure.

## CAMPUS CULTURE WARS

### [Princeton still requires RAs to participate in DEI, 'microaggression' training](#)

Many universities have been closing their DEI offices and shutting down programs under pressure from the Trump administration. Princeton doubled down instead.

### [Catholic university has psychology students intern at trans clinic for 5-year-olds](#)

Santa Clara University sends graduate students to intern at the County of Santa Clara's Gender Affirming Care Clinic, which provides transgender services to children as young as 5.

### [Scholar vindicated again for study showing harms of gay parenting](#)

Sociologist Mark Regnerus's study, showing negative outcomes for children raised by same-sex parents, has been vindicated by a multiverse analysis conducted by Cornell University experts.
