MUTH'S TRUTHS Hot Time in Henderson: Republican vs. Republican This just in from the Las Vegas Review-Journal: *"Henderson Councilwoman Carrie Cox has been indicted on a count of monitoring or attempting to monitor a private conversation, prosecutors said Wednesday. "Chief Deputy District Attorney Colleen Baharav said at a grand jury return hearing that prosecutors would request a summons with an own recognizance walk-through as well as an order that Cox have no contact with Monica Larson, another member of the Henderson City Council, except during council meetings. "Chief District Judge Jerry Wiese granted the request. Cox is due in court Nov. 20."* I don't know exactly what this is all about - but I do know it's been a bubbling caldron for months and apparently just boiled over. Cox is up for re-election next year. **NEVADA NEWS & VIEWS National**
