MUTH'S TRUTHS

Known by the Company You Keep

On Tuesday, GOP Assemblymember Danielle Gallant announced her campaign kick-off event for State Senate District 20 – currently held by conservative State Sen. Jeff Stone. The invite is quite revealing. For sure, Gallant is the political establishment's anointed candidate. Her "host committee" is loaded up with high-priced lobbyists who put a premium on legislators who are "flexible," not principled. In addition, get a load of this list of host committee supporters:

- **Richard Perkins**, former DEMOCRAT Assembly Speaker – though Gallant disingenuously describes him only as "Former Henderson Chief of Police."
- **Pete Ernaut** – lobbyist/architect of the Hollywood Handout during November's special session
- **Tommy White** – the labor union boss who recently UN-endorsed conservative Republican Clark County Commissioner **April Becker** because she voted against the gas tax hike
- **Joe Hardy** – the only Republican to vote for BOTH of the largest tax hikes in Nevada history (2003, 2015)
- **P.K. O'Neill** – who voted for the largest tax hike in state history in 2015 and the Hollywood Handout in 2025
- **John Steinbeck** – the state senator who chalked up the second WORST conservative voting record among senate Republicans in the 2025 session – and voted for the Hollywood Handout
- **Carrie Buck** – GOP state senator who sued the Clark County Republican Party after she lost a race for chairman – and has faced sharp conservative backlash for her abortion-related votes and positions

- **Elliott Malin** – who endorsed A-Ron Ford for attorney general in 2022 and sued the Nevada GOP executive director

Senate District 20 is a conservative district. If you're known by the company you keep, Gallant clearly isn't. **NEVADA NEWS & VIEWS**
