### **Amodei Retires, All Heck Breaks Loose: Assessment of the Wild Scramble for CD2**

Nevada GOP Rep. Mark Amodei's surprise retirement announcement last week has set off a frenzy of speculation on which Republicans will be running to fill his rock-solid 2<sup>nd</sup> Congressional District seat.

So far, Douglass County Commissioner Danny Tarkanian has reportedly told folks he's sticking with his current race for attorney general - though I haven't heard that from Tark himself.

In addition, former Nevada attorney general and U.S. Senate candidate Adam Laxalt - as well as former gubernatorial candidate Guyn Norha and State Sen. Ira Hansen - have taken themselves out of the running.

## FAMOUS LAST WORDS

“Democrats aren’t against ‘nationalizing’ elections as long as they’re the ones doing the nationalizing. . . . (In 2021), congressional Democrats proposed a federal takeover of the election process in the name of combating phantom voter ‘suppression.’ Their legislation, HR1, would have forced states to offer same-day registration and allow mail ballots to be returned well after election day. It would also have created public funding for elections, overturned state

voter ID laws and made ballot harvesting legal across the country.” – ***Las Vegas Review-Journal editorial***

"Activists who dox ICE agents, issue death threats, & terrorize people are not simply protesting—they are committing crimes. The Justice Department will not tolerate obstruction of justice, & AG Pam Bondi will hold accountable those who endanger federal law enforcement." - ***AAG Harmeet Dhillon***

"Inflation down, strong growth, stocks at a record high, and the lowest [murder] rate in over 100 years — Democrats don't want to talk about that. They want to hoot and holler." - ***Treasury Secretary Scott Bessent***
