February 5, 2026

Tennessee State Senator Janice Bowling has just filed [Senate Bill 1949](#), the “mRNA Bioweapons Prohibition Act,” prohibiting the manufacture, acquisition, possession, or distribution of mRNA injections and products—punishable as a Class B felony under Tennessee’s weapons of mass destruction statute.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. This act is known and may be cited as the "mRNA Bioweapons Prohibition Act."

SECTION 2. Tennessee Code Annotated, Title 39, Chapter 13, Part 8, is amended by adding the following as a new section:

(a) It is the intent of the general assembly to designate mRNA injections and products as weapons of mass destruction and to prohibit possession or distribution of mRNA injections and products in this state.

Just last week, Arizona Representative Rachel Jones Keshel introduced [HB 2974](#), amending existing statutes to designate modified mRNA injections as biological agents and weapons of mass destruction, and that their manufacture, possession, or distribution may be prosecuted as terrorism, carrying penalties up to life imprisonment if a violation results in death.

State of Arizona
House of Representatives
Fifty-seventh Legislature
Second Regular Session
2026

HB 2974

Introduced by
Representatives Keshel: Fink, Heap

19 (b) INCLUDES:
20 (i) A RECOMBINANT MOLECULE OR BIOLOGICAL PRODUCT THAT MAY BE
21 ENGINEERED THROUGH BIOTECHNOLOGY.
22 (ii) MODIFIED MESSENGER RIBONUCLEIC ACID INJECTIONS OR PRODUCTS AS
23 DEFINED IN SECTION 13-2931.
24 16. "Weapon of mass destruction":
25 (a) Means:
26 ~~(a)~~ (i) Any device or object that is designed or that the person
27 intends to use to cause multiple deaths or serious physical injuries
28 through the use of an explosive agent or the release, dissemination or
29 impact of a toxin, biological agent or poisonous chemical, or its
30 precursor, or any vector.
31 ~~(b)~~ (ii) Except as authorized and used in accordance with a
32 license, registration or exemption by the department of health services
33 pursuant to section 30-672, any device or object that is designed or that
34 the person intends to use to release radiation or radioactivity at a level
35 that is dangerous to human life.
36 (b) INCLUDES MODIFIED MESSENGER RIBONUCLEIC ACID INJECTIONS OR
37 PRODUCTS AS DEFINED IN SECTION 13-2931.

Last year, Minnesota Representative Shane Mekeland introduced [Bill HF3129](#), designating mRNA injections as weapons of mass destruction to prohibit their possession or distribution in the state.

This Document can be made available in alternative formats upon request State of Minnesota HOUSE OF REPRESENTATIVES NINETY-FOURTH SESSION H. F. No. 3219			
04/21/2025	Authored by Mekeland, Kandelers, Hudson, Dotseth, Murphy and others The bill was read for the first time and referred to the Committee on Education Policy		
1.1	A bill for an act		
1.2	relating to public safety; designating mRNA injections and products as weapons		
1.3	of mass destruction; prohibiting mRNA injections and products; proposing coding		
1.4	for new law in Minnesota Statutes, chapter 609.		
1.5	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:		
1.6	Section 1. <u>SHORT TITLE.</u>		
1.7	This act may be known as the "mRNA Bioweapons Prohibition Act."		
1.8	Sec. 2. <u>[609.712] MRNA BIOWEAPONS PROHIBITION.</u>		
1.9	Subdivision 1. <u>Legislative intent.</u> It is the intent of the legislature to designate mRNA		
1.10	injections and products as weapons of mass destruction according to section 609.712 and		
1.11	to prohibit possession or distribution of the mRNA injections and products in the state.		
1.12	Subd. 2. <u>Definitions.</u> (a) For purposes of this section, the following terms have the		
1.13	meanings given.		
1.14	(b) "mRNA injections and products" means:		
1.15	(1) with regards to the COVID injections, mRNA or "modified" messenger RNA as		
1.16	related to the gene altering agents. The structure was altered by substituting two		
1.17	N-methyl-pseudouridine amino acids for the usual uridine components so as to elude immune		
1.18	destruction of the mRNA, which then allows the mRNA that produces the pathogenic Spike		
1.19	protein to exist within cells for a longer period of time;		
1.20	(2) all injections or products containing mRNA or "modified" messenger RNA;		
Sec. 2.	1		

04/09/25	REVISOR	KLL/ES	25-05455
2.1	(3) any human gene therapy product for any infectious disease indication, regardless of		
2.2	whether the administration is termed an immunization, vaccine, or any other term; or		
2.3	(4) nanotechnology or nanoparticles that alter genes and create a biosynthetic cell		
2.4	replication.		
2.5	For the purposes of this section, mRNA does not mean naturally occurring mRNA defined		
2.6	as messenger ribonucleic acid that is a single-stranded molecule of RNA that corresponds		
2.7	to the genetic sequence of a gene.		
2.8	(c) "State or local government official" means the governor, attorney general, state		
2.9	attorneys, county sheriffs, and other state and local law enforcement.		
2.10	Subd. 3. <u>Crime.</u> Whoever knowingly manufactures, acquires, possesses, or makes readily		
2.11	accessible to another mRNA injections and products is guilty of a crime and may be		
2.12	sentenced as provided under section 609.712.		
2.13	Subd. 5. <u>State or local government official.</u> A state or local government official must		
2.14	use all lawful means necessary to enforce this section. A state or local government official		
2.15	who does not enforce or investigate a violation under subdivision 3 when provided with		
2.16	reasonable evidence of a violation is guilty of a crime and subject to the same penalties as		
2.17	a person violating that subdivision.		
2.18	Subd. 6. <u>Civil action.</u> A resident of the state may seek injunctive relief, declaratory		
2.19	relief, and monetary damages from the state or a state and local government official for lack		
2.20	of enforcement of this section.		
2.21	<u>EFFECTIVE DATE.</u> This section is effective August 1, 2025, and applies to crimes		
2.22	committed on or after that date.		
Sec. 2.	2		

Credit to [Dr. Joseph Sansone](#) for drafting the "mRNA Bioweapons Prohibition Act," now filed in three states.

There are now multiple legislators, international bodies, and peer-reviewed scientific publications declaring that mRNA injections constitute biological or technological weapons of mass destruction:

- [Tennessee Bill SB1949 \(Sen. Janice Bowling\)](#)
- [Arizona Bill HB 2974 \(Rep. Rachel Keshel\)](#)
- [Minnesota Bill HF 3219 \(Rep. Shane Mekeland\)](#)
- [Alliance of Indigenous Nations](#)
- [Our peer-reviewed study in the American Journal of Physicians and Surgeons](#)
- Dr. Francis Boyle, drafter of the U.S. Biological Weapons and Antiterrorism Act of 1989 (affidavit)
- [World Council for Health](#)

It's only a matter of time before these dangerous products are outlawed.
