### Tucker Carlson - Jews 'Happily' Murder Children

**Tucker Carlson: Jews Murder Children for the Sins of Their Fathers**

Amalek. We believe in blood guilt. The children are responsible for the sins of their parents, so we are gonna kill them."

Tucker distorts the Biblical concept of "Amalek" to spread another antisemitic blood libel about Jews/Israelis wanting to "happily" murder children. Amalek in Jewish tradition is not a claim that children should pay for their parents' sins. If you have to twist Jewish concepts to demonize Jews, it says everything about your agenda and nothing about the truth.

After the clip spread, UM College Republicans and Turning Point cut ties.

When influencers push hate, it doesn't stay online. It becomes campus intimidation with real consequences.

# REJECTED BY COLUMBIA

MURDERING  
ZIONISTS"**

ANARY MISSION

## Khymani James: "Zionists don't deserve to live"

"Zionists don't deserve to live." "Be grateful that I'm not... murdering Zionists."

Khymani James apologized for these statements, then walked the apology back, writing:

"I never wrote the neo-liberal apology posted in late April, and I'm glad we've set the record straight once and for all. I will not allow anyone to shame me for my politics."

He attempted to re-enroll at Columbia for Fall 2025, but was rejected on the grounds of "insufficient reflection."

James retracted the apology and reaffirmed the violent rhetoric. Columbia must not give him any more chances.
