MUTH'S TRUTHS

Drew Johnson Gets Caught Spinning Yet ANOTHER Whopper

Drew Johnson claims he's "never supported" ranked choice voting.

It's a flat-out lie, because buried in his own past writings is a completely different story. One where he praises ranked choice voting, defends it, and even scolds Republicans for trying to ban it.

[**Click here**](#) and see the proof for yourself. It's worse than you think.

Every time Drew gets caught, he blames someone else, rewrites history, and hopes nobody checks the receipts.

Problem is, the receipts are right there in black and white – with his name on them.

Does he really think Republican primary voters are that stupid?
