[Belgium: 'Journalists' happily smash statues of Jesus and Mary, explain they'd never disrespect Muhammad](#)

---

---

Belgium's publicly funded youth radio station, Studio Brussel (VRT), featured a sketch in which its breakfast presenters smashed various items on air, including a statue of Our Lady and Jesus. I asked if they were concerned it would cause offence, and if they would do the same to... [In Berlin, Ending DEI Policies in Selecting Judges and Prosecutors](#)

---

In Berlin, the leftists and the Greens have managed to pass a law requiring that forty percent of candidates being interviewed for judgeships and prosecutor positions must have a “migrant background.” The figure of forty percent matches the percentage of the population of Berlin with such a background. More on this law, which will overwhelmingly [...]

[Ireland: Muslim who set fire to pub while screaming 'Allahu akbar' says he did it to warn against insulting Muhammad](#)

---

---

“He said he was angry that the State allowed people to insult the prophet, and attacked the garda to show his anger and make his protest known.” Once Ireland fully adopts Islamic blasphemy laws, Abdullah Khan and the rest of Ireland’s new overlords won’t have anything to complain about. Muslim man Abdullah Khan was in [...]

[So Many Unsettling Changes to Look Forward to as Britain Islamizes](#)

---

---

Britain is rapidly Islamizing, and the transformation is taking place quickly now: “The Islamization of Britain is Almost Complete,” by Janet Levy, American Thinker, March 22, 2026: The extent to which the British government is willing to accommodate Muslim practices is clear in its choice to normalize cousin marriage, ignoring scientific evidence that shows it [...]

[UK: Church of England primary school has children engage in Islamic prayer](#)

---

The prayer is all wrong from an Islamic standpoint, as the girls are praying together with the boys, which would never happen in a mosque. The women pray behind the men; if a woman passes in front of a man during prayer, his prayer is invalidated. Nevertheless, the Diocesan Board of Education wonk's claim that [...]

[U.S. government sanctions Vancouver company for ties to \\$100-million network allegedly financing Hizballah](#)

---

The report about the U.S. sanctioning the Vancouver company, Seven Seas for International Trading and Logistics, for alleged ties to Hizballah reflects a trend that has existed for years. In 2020, the Trudeau government ramped up use of a special visa program that allowed the government to secretly admit foreign nationals who would otherwise be [...]

[German president: War against Iran is a 'disastrous mistake' that breaches international law](#)

---

Frank-Walter Steinmeier loses all credibility when he states, in the same tirade about the war in Iran being a “politically disastrous mistake,” that “Trump’s second term marked a rupture in German foreign relations as profound as Russia’s invasion of Ukraine.” Frank-Walter Steinmeier’s flawed mentality was also on full display when he sent a congratulatory telegram to [...]

[As Britain Inexorably Islamizes](#)

---

The population of Britain becomes more Muslim every year. This is a reflection both of immigration, both legal and illegal, of hundreds of thousands of Muslims each year, and of the much higher fertility rates of Muslim women in the U.K. compared to those of non-Muslim women. More on the signs of an Islamizing Britain [...]

[Kim Jong Un lays out 'aggressive push to strengthen the country's nuclear arsenal'](#)

---

The red-green alliance has been given a free pass to proliferate for too long. Given the war on Iran, North Korean Supreme Leader Kim Jong Un feels justified to build up nukes in his country, and speaks of this openly. In February, Kim issued a grave threat to South Korea: North Korean leader Kim Jong Un [...]

[Iran: Basijis and Muslim clerics disguise themselves as members of the Red Crescent society.](#)

This is an old trick. Most Hamas fighters pretended to be paramedics, UNRWA staff, journalists, or medical personnel. At the very least, armed Hamas members moved around in civilian clothes to blend into the population. [Salt Lake City's Woke Mayor Praises Ramadan as If It Has Brought Us Everything That Is Good](#)

New in PJ Media: What a mean, merciless place Salt Lake City must have been. To hear the city's Mayor Erin Mendenhall tell it, there was apparently neither faith nor kindness there until Muslims started arriving there in large numbers beginning in the mid-1960s, and in even greater numbers after the Sept. 11, 2001 jihad [...]

New in PJ Media: The Freedom Road Socialist Organization (FRSO)'s Fight Back News reported Thursday that at a recent rally, the grizzled old Commie Iosbaker was having flashbacks that didn't (necessarily) involve any shrooms or acid: "The fool in the White House," Iosbaker exulted, "has made not only the biggest mistake of his life, but this could [...]"
