### **GOP Civil War Over Hollywood Handout Goes Nuclear in Two GOP Primaries**

*Las Vegas Review-Journal* columnist Victor Joecks and I don't always agree on campaign strategy. He's more of a policy guy and I'm more of a tactician.

But when you're right, you're right. And boy was he right in his column this morning.

The issue: Last November's special session and the "Hollywood Handout."

Victor was opposed. I was opposed. Conservative Republicans were opposed.

It passed in the Assembly...by one vote. But it was killed in the Senate...by one vote.

With a margin that close, you can bet there will be a Hollywood Handout sequel in next year's legislative session.

So in that regard, yes, the Hollywood Handout is on the GOP primary ballots that are already being returned by mail and will be cast via Early Voting starting tomorrow.

Today, Victor called out two key Republican primary races that might well decide if it passes next time or not.
