FAMOUS LAST WORDS

- "Isn't it wild how forcing pork on Muslims is instantly labeled 'disrespectful' and a hate crime... But forcing LGBT ideology on Christians in schools, churches, sports, and every corner of public life gets celebrated as 'tolerance'?" - **@Sassafrass_84**
- "Democrats scream to abolish ICE the second an illegal gets killed... but never call to abolish illegal immigration when illegals rape, torture, and murder US citizens. Funny how that works." - **@Sassafrass_84**
- "Innocent Americans will be murdered in cold blood by illegal aliens and Democrats will barely acknowledge that the victim exists. Illegal aliens will get themselves killed while trying to attack or flee from ICE agents and the left will demand that all criminal illegals should now be able to stay here so they can harm more Americans." - **@realBrandonGill**
- "A heartbreaking truth stated with eloquence and quiet rage. Gavin Newsom is a monster - a slick, divisive satanic presence, who has single-handedly caused more damage to California than any person or natural disaster in its history." - **@RealJamesWoods**
