[Robert Spencer Destroys Tucker Carlson's Attempt To Whitewash Islam's Treatment of Christians \(Exclusive Interview\)](#)

Robert Spencer dismantles J.D. Hall's misleading claims on Tucker Carlson that the Ottomans were 'very kind' to Christians, exposing instead the historical reality of institutionalized Islamic subjugation, humiliating dhimmitude, and the complete absence of equality for Christians under Sharia. In a recent episode of The Tucker Carlson Show, J.D. Hall claimed that the Ottomans were [...]

[Washington Post reporters falsify a Trump quote to demonize Israel](#)

As I've noted many times, these people are not journalists, but propagandists. They're not reporting the news, they're pushing a narrative. They want their readers to hate Israel, and don't care about falsifying the record in order to achieve that effect. "Washington Post Reporters Falsify a Trump Quote to Manufacture an Anti-Israel Narrative," by David [...]

[In Spain, Antisemitism Now Running With the Bulls: 'Destroy Israel' Banner at San Fermin Festival](#)

From Pamplona to Madrid to Barcelona, the antisemitic fever is spreading across Spain. The anti-Israel animus that Prime Minister Pedro Sánchez and his corrupt regime display at every turn, of course, encourages it. More on the signs of the oldest hatred in Spain can be found here: “‘Destroy Israel’ Banner at Spain’s San Fermín Festival [...]

[Greek MEP: 'Pretending Turkey is still a reliable ally is not a strategy. It is dangerous self-delusion.'](#)

Flashback: The fearless Greek MEP Afroditi Latinopoulou, founder and leader of Greece's Voice of Reason party, sparked massive Muslim outrage by telling the raw truth in the European Parliament. [Honest Reporting on the Part-Time Journalists, Full-Time Terrorists, in Gaza](#)

For the past 2½ years, the Israelis have been insisting that many of those in Gaza who claimed to be journalists, and whose reports on the war much of the mainstream media in the West relied on, were in fact journalists only part-time, but terrorists full-time. As the evidence for this piled up, the defenders [...]

[Mehdi Hasan tries to prove Israel committed genocide by invoking authorities who claim it did](#)

Mehdi Hasan @mehdirhasan says he can debunk Israel's defenders in under 60 seconds. His method? Reading a list of names really fast. That's not an argument. That's a filibuster with a bibliography. Fine. Start the clock. Here's the problem with his fifty sources: it's one... pic.twitter.com/yo9U9DwRyB — Jonah Platt (@JonahPlatt) July 7, 2026 This is an [...]

[Tiny minority of extremists: 44% of Muslims in the U.S. have a favorable view of Hamas](#)

And then one has to count in the ones who were telling the pollster what they thought he wanted to hear, or what they thought was the safe answer to give. Those who are still, at this late date, counting on “moderate Muslims” to rise up and rein in their violent brethren drastically underestimate the [...]

[Hamas-linked CAIR, Muslim Minneapolis City Council VP enraged that sheriff warned about Somali gangs](#)

How dare the infidel Bob Fletcher criticize what the Somali Muslim gangs are doing in Minneapolis? Clearly he is an “Islamophobe” who is targeting an entire community instead of focusing on the tiny handful of bad apples who are actually responsible. This strategy — claim aggrieved victimhood, collective blame, etc. — has worked wonderfully for [...]

[Trump Wants Syria to 'Fight Hezbollah' in Lebanon](#)

And both Israel and Lebanon are appalled. Trump sees Syrian leader Ahmed al-Sharaa as a “strong leader,” someone who can take on Hezbollah and deal better with it than Israel. That is not how either Beirut or Jerusalem sees things. More on Trump’s suggestion that Lebanon let Syria back in to crush Hezbollah can be [...]

[India: Muslim milkman caught spitting into milk containers before delivering milk to Hindu customers](#)

Jihad contamination and poisoning attempts are not new. In India in 2019, Muslims plotted to poison food offered in a Hindu temple that is consumed by at least 40,000 devotees. Al-Qaeda has long considered the contamination of food as a jihad mass murder tactic. And in 2017, the Islamic State called on Muslims to poison food in Western supermarkets. And it [...]

[Germany: Muslim bus driver stops to pray, non-Muslim passengers just have to wait](#)

The principle is always and everywhere the same: in Muslim countries, non-Muslims are expected to conform their behavior to Islamic sensibilities. And in non-Muslim countries, non-Muslims are expected to conform their behavior to Islamic sensibilities. The lesson is being taught that Islam always comes first, and everything else has to wait. The infidels in Germany [...]

[Another Islamophobe Is Spotted](#)

This hate-filled clown dares to suggest that Islam is incompatible with Western values. Oh, the Islamophobia! Haven't we learned anything since Muslims were so cruelly victimized after a gaggle of misunderstanders of Islam hijacked the Religion of Peace on September 11, 2001? Haven't we tired of the MAGA hat-wearing yahoos snatching the hijabs off meek, pious Muslim [...]

Another heartwarming story from the new Europe. Europe is changing rapidly, and we have all simply have to adapt. It has become far more diverse and multicultural than it once was, and that is, as we have been reminded constantly for decades now, something to celebrate. Sure, Europe is now less safe, more squalid, and [...]

[Khamenei Funeral: 'Kill Trump,' 'Death to America'](#)

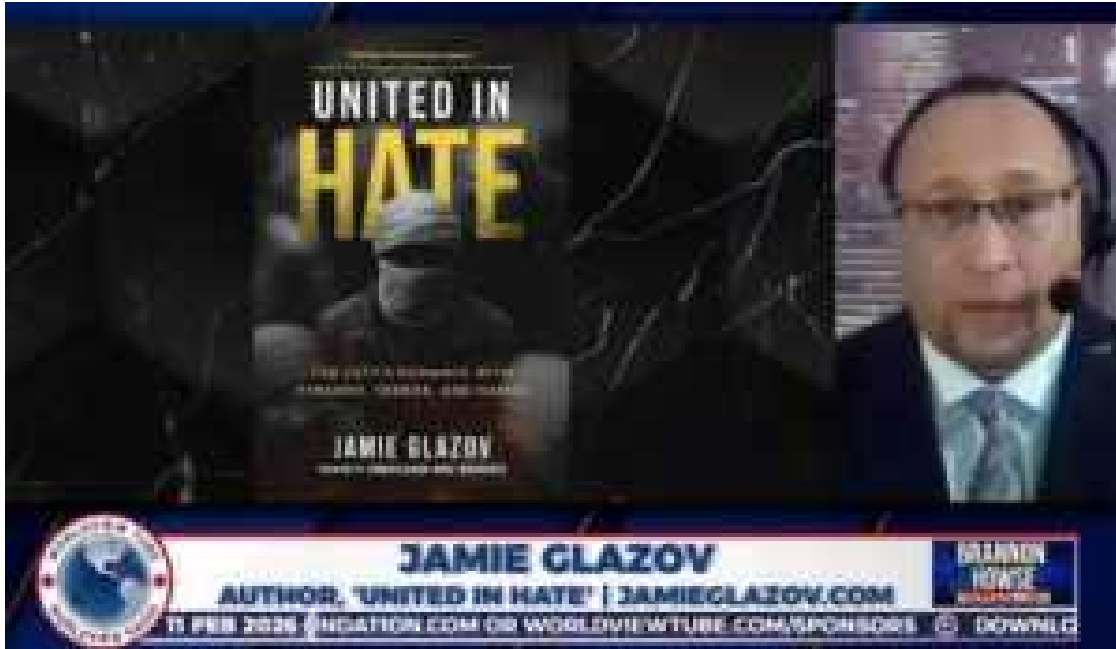

“They’re dying to settle,” says Trump. Maybe so. But only on their own terms. The multi-day funeral for the Islamic Republic of Iran’s slain supreme leader, the Ayatollah Ali Khamenei, is in full swing, and so far, his son and putative successor, Mojtaba Khamenei, has been nowhere to be seen. Was there bad blood between [...]
