Have you considered supporting The Gateway Pundit with a donation?

The Gateway Pundit is one of the top targeted, censored, blacklisted, and demonetized websites in the US today. The assault on our website has been going on for years now -- particularly since President Trump won his election in 2016.

The lawfare, censorship, smears, and outright lies have been unprecedented.

PLEASE HELP. The Gateway Pundit needs to stay in the fight. **Donate today** to help us provide the most explosive, honest, and important reporting on the internet today.

Thank you.

Located in America's Heartland, The Gateway Pundit (TGP) focuses on topics Heartland Americans care about. Since its founding, TGP has grown as many Americans turn to digital news sources and as many Americans continue to lose trust in the purportedly unbiased nature of older newspapers and networks, TGP is addressing this gap as a trusted news source for the stories and views that are largely untold or ignored by traditional news outlets.
